Docket No. 98N-1265
Food and Drug Administration 23 MAR 20
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have been using progesterone
compounded for me by Madison Pharmacy
since 1981. I feel and my family
feels that the use of this medication
has extremely minimized the symptoms
of the debilitating P.M.S. I suffer
from monthly. Loss of the prescription
would greatly effect my life in a
negative manner. I've tried to
discontinue use, but have always
returned to using progesterone to
balance my hormone levels.

Sincerely

Lelann Stevens
